Automated self-billing to always make sure you are charged the correct amount

Giving you full visibility of how agencies are performing for you, utilising those with the best possible candidate, at the best possible cost, by cascading duties through your set tiers of agencies. Bumping by substantive or bank staff if they become available automatically updates agencies and cancels the duties. Generate self billed single invoices that reduces errors and improves efficiencies, sent in one file to accounts payable. Real-time reporting gives you the information you need, when you need it, to address problem areas.
